MEMORANDUM:

Army Minister.

We have available [illegible] 1941 area, in the opinion of the Director of Agriculture, any portion of which [illegible] of the 1941 and subsequent years, in the opinion of the Minister, may continue to be available for cutting, and section 7 is necessary for the proper carrying out of the provisions of the Act.

Timber within the [illegible] under license by Mr. J.L. Marlton, M.P. We have had considerable correspondence recently in connection with applications received, principally from returned soldiers, for entries within this timber belt, and the following is a synopsis of the cases concerned:-

T.L.P. 5-67-37- 4th L.

This land was examined by a Timber Inspector, who reported that all merchantable timber had been removed, and the sixty days' notice was served on Mr.Marlton. He objected to the withdrawal, claiming that there was timber on the land, and the Minister decided in February last not to make withdrawal at the time but that another investigation would be made later spring. The application was reinspected in June last, and the Inspector reported that all merchantable timber had been removed and recommended the withdrawal of the application.

I recommend that the sixty days' notice of withdrawal be served, as provided in the regulations.

T.L.P. 5-67-1- 4th L.

This application was examined and the Timber Inspector reported that the timber thereon had been destroyed by fire; and the sixty days' notice of withdrawal was served on Mr.Marlton. Mr. Marlton objected, claiming that there was considerable merchantable timber on the land, but the Minister decided in February last not to make the withdrawal then but to have a further investigation made in the spring. Entry was granted in error to Mr.Belik, a returned soldier, for the south east quarter, but he was advised that he could not retain the same. A telegraphic

Re: Account of Emerson Kennard Brown,
N.T. 1-83-21-.9th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1929 seed grain, fodder and relief amounting to $1,304.22 were advanced to Emerson Kennard Brown on the security of the N. 3.-9-1.- .4th and later became attached to the N.T. 1-83-21- .9th. Payments of $83. and 48.50 were received in 1917 and 1930, respectively, and applied to the principal and interest. Under authority of Order in Council P.C. No. 34/76, dated the 10th of April, 1930, the N. 3.- -1.- .4th was released as security for the liens on the payment of $48.50 and the balance of the indebtedness retained as a lien against the N.T. 1-83-21-.9th. The present standing of this account is:-

Principal	Interest	Total
$ 345.30	$ 431.67	$ 776.97

The N.T. 1-83-21-.9th was formerly the second homestead entry of the debtor whose entry apparently was later cancelled and re-entered upon by a Mr. Chris Larsen.

According to an Abstract of Title dated the 6th of February, 1954, this quarter section now stands in the name of a Mr. Chris Larsen, of Peace River, Alberta, clear of any encumbrance.

As there is no record of the liens having ever registered against the land and there is no further security for our advances, it is recommended that the balance of the indebtedness be cancelled.

Sir:

N.W.T. 3-83-1-W.6th M.

I beg to inform you of the receipt of a report from one of our Dominion Inspectors that your homestead, the above described land, contains one hundred and sixty acres of cultivable land. Under the circumstances, it is not possible to allow you to substitute stock raising for the performance of cultivation duties.

It would appear that the land will be a little more expensive to cultivate than ordinary prairie, and, therefore, a reduction in the cultivation will be made in your case to an area which would be equal in cost to the cultivation of thirty acres of ordinary prairie.

Your obedient servant,

Secretary.

When next in the vicinity of the above land, will you kindly furnish a report on the area of breaking done.

In his application for patent, Mr. David A.Lindstrum claims to have twenty-three acres broken. Kinily advise as to the equality of this area to thirty acres of ordinary prairie land.

Gentlemen:- Refering to yours of the 14th, September in Re- My inquiry of Sept, 2nd, regarding the Equity of one, Wm, Briggs, to improvements placed on a 160 acre homestead, which later was abandoned by Him. Would say, that the said Wm. Briggs died in Alaska this summer, and his Father who resides in Colville, Wash. had loaned his son, some two hundred dollars, and holds notes therefor. In your statement of Sept, 19th. It would seem that there is due Wm. Briggs the sum of $166.39. What Proceedings will be nescessary for the Father, D, C, Briggs, to get this money?

It seems that Wm Briggs never married, and the Father and Mother, who both are living, would be the natural Heirs, without the necessity of showing the indebtedness of the Son, by notes in their possession. Would be pleased for an early reply.

Respectfully.

A. L. Knapp.

I presume the Letters of adm[n], taken out in the U. S., may be taken as sufficient to warrant a refund to the administratrix. Where there are no Letters of adm[n] and the amount involved is small, it is the practice to grant a refund on production of evidence that the applicant is the only person who could be entitled to benefit if the estate had been administered in the regular way.

Sir,

Re: Estate of W-Ol-4, late of [illegible]
Deceased Homestead of
[illegible], Alta., Section [illegible].

I am to acknowledge the receipt of your letter of the 21st ultimo with enclosure, in the matter of the application of [illegible], to obtain a refund of the moneys collected on account of interest in arrears and in his lock-out sum and on the land above described at the time of re-entry, namely $478.10, out of which there was already paid $0.81 to liquidate his tax indebtedness.

In this regard I am to advise you, as already others have been advised on Mr. Brigg's behalf, that letters of administration taken out elsewhere than in the proper court of the Province within which the land is situated should be recalled by the said proper Court. On receipt of this action being taken, I am returning to you herewith enclosed the letters of administration furnished under cover of your letter just acknowledged and issued out of the Superior Court of Stevens County, Washington, United States of America.

I beg to enclose herewith [illegible] and to state that if you will complete same fully and carefully supplying what has been done by you in connection with your homestead and soldier grant entries above described in the nature of residence, cultivation and improvements, you will be advised what additional, if anything, remains to be done before you will be in a position to make application for letters patent for this half-section.

on the North East ¼ of Section 35, improvements consisting of fifteen acres fenced worth $20.00, t[illegible] acres cleared ready for the plow worth $150.00;

1917....12 acres broken...12 acres in crop
1918....12 " " ...12 " " "
Value.....$150.00.

and in the general remarks he sets out:

"There is no doubt but Mr. Griere was
"ignorant of the fact that he was on the
"wrong quarter when he made these improve-
"ments. I would recommend that the transfer
"be allowed."

Under the same date [illegible] Griffin reports in connection with the North East ¼ of Section 35, [illegible] existing of:

[illegible] acres rail fencing value.....
[illegible] acres cleared ready for [illegible]
Value.....

1917....[illegible] acres broken...[illegible] acres in crop
1918....[illegible] " " ...[illegible] " " "
[illegible].....

In the general remarks he sets out:

"There is no doubt but Mr. Griere was
"ignorant of the fact that he was on the
"wrong quarter when he made these improvements.
"Their knowledge of survey etc. is very limited.
"I would recommend that the transfer be allowed."

It will be noted the inspector fails to report as regards the residence performed, if any and where.

However, I presume that if the father and daughter, Griere, are willing to relinquish the lands desired from their homestead and will file an unconditional abandonment the department will be in a position to favourably consider the application to intercept same, and I submit the matter for your instructions.

i.w.

As far back as October, 1917, the father, J. C. Griere, wrote to the effect that he and his son, Griere, had erected their respective improvements on the other's holdings, and made application to have their entries intercharged. They were written to in reply by Land Office letter of the 27th of September, 1917, and given permission to intercharge their entries on account of a fraud [illegible] the execution of the usual declaration of [illegible]. Apparently they took no action.

action since in connection therewith.

While the Inspector in his report of the 22nd of July, 1915, set out he went to the trouble of erecting these parties the posts, it is to be noted out that the lands concerned are separated by a correction line, and in this correction line there is considerable of a jog, which under the circumstances sometimes confuses even an expert in trying to locate certain lands by the mounds (ordinary or witness) pits or stones which were placed there by the surveyors.

I consider the application in this case is complete and recommend that it be granted as requested.

Sir,-

Lot 1 Sec. 5 Tp. 72 Rge. 12 West 6 Mer.

Referring to your application for homestead privilege on the above described land, I beg to inform you that Dominion Lands Act and Regulations amendment to the Dominion Lands Act now permit granting those [illegible] had homestead patent, or who may become entitled thereto on or before the 1st January, 1930, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,

S South half 10-6-1- 4th M.

At the request of the above named [illegible] I am transmitting to you herewith [illegible] to the half-section above mentioned. Our reference and report of the matters dealt with in the memorandum of the 2nd instant.

It may be stated in connection with representations made on behalf of John [illegible] Stewart that should you not see fit to recommend a sale of the unalienated portion of the half-section entirely to the estate of the late Walter [illegible] some provision should be made for squaring off the estate's present holdings. In hearing on this matter I would refer you to the sketch which has been prepared by the Surveyor general delimiting the minimum area which might be allotted to the estate. You may see fit, however, when on the ground, to eliminate the various jogs forming the proposed northern boundary as shown on the sketch. It would appear in any case that the south half of legal subdivision 1 should pass to the estate at a valuation in addition to the lands coloured brown and pink.

Furthermore, if the estate is not entitled in your judgment to the right to purchase the whole of the balance of the half-section, it will of course be necessary to post such portions thereof as it may be decided to make available, there being no provision whereby Mr. Stewart could be granted prior right of entry.

Your report in this connection is desired at the earliest possible date.

Ottawa, 16th June, 1938.

Memorandum: Mr. Corrin.

re part section 18-56-15- 4th Ker.

Please see my memorandum of the 2nd April last, on file No. 357440 herewith, marked.

The question under consideration is whether the estate of the late Alfred E. Mathison should be permitted to purchase all that portion of the south half of section 18 not already patented to the late Mr. Mathison - in this connection, please see letter (marked) or whether the land should be posted in order that one John E. Stewart may have an opportunity to complete the sale, excepting thereout that portion so entered [illegible].

The estate of Alfred E. Mathison has been permitted already to purchase the fractional part as the matter coloured in brown, and in the writer's opinion it would be advisable to allow the personal representative of the estate to purchase the additional area coloured pink, as also the south half of legal subdivision 2, containing altogether 328.00 acres, more or less, at the price of $10.00 per acre as recommended by Inspector Cunningham in his report of the 2nd November, 1937.

The Deputy Minister gave instructions to refer the papers to Mr. Mathieson for investigation - memo. 21st April last, marked.

Mr. Mathieson has now reported, submitting the report of Mr. Cameron, who recommends that the land in question be posted, intimating that Mr. Stewart would likely make every effort to acquire the entry in competition with other applicants, if any. The motion is recommended accordingly, subject to the proviso as to the lands coloured pink and as to the south half of legal subdivision 2.

Except in the case of the South East quarter of Section 7, Township 56, Range 15, West of the 4th Meridian, the whole of which is undisposed of and reserved for hay at present, it is considered advisable to make suitable disposition of the remainder of the fractions concerned and I am therefore to request you to procure a historical Abstract of Title in respect to the patented areas in order to obtain the names and addresses of the registered owners thereof.

In the case of the North West quarter of Section 7, ten acres of which has been entered for by J.P. Johnston as a soldier grant, if the man is in residence the Department would be prepared to consider his application for the inclusion of the balance of the quarter-section in his entry.

In the case of the North East quarter of 7, Mr. R.D. Hughson would on application be entitled to a supplementary grant of letters patent free of charge provided he is still the owner of the patented portion of the quarter-section Crown-granted to him as a homestead.

With regard to the hay reserve on Section 7, you might let me know how many hay permits (with tonnage) have been applied for since the Department wrote you in April 1927 on File 625287 T&G.

Homestead Inspector Cunningham reported in a general way in regard to Whitford Marsh in November 1927 but it would be advisable to have a more comprehensive report in respect to each quarter-section with particular reference to the question of continuing the reservation of any portion of Section 7 as a hay reserve. It might be considered in the public interest at least in so far as the South East quarter of the said Section 7 is concerned.

With regard to Section 8 I would refer you to Departmental letter of the 10th September, 1919, your reference 2919, addressed to A.L. Hughson, wherein he was granted permission to purchase certain accrued areas then of record at the price of $5.00 per acre. In so far as the Department is aware the option was never taken up nor has anything been paid on account of the purchase price, and the whole question might be discussed by the Inspector with Mr. Hughson, and also whether he would be now prepared to purchase the additional accrued areas in Section 8 which are now available

Sir,

S.E. ¼ 34-39-21-W. 4th Mer.

With reference to the statement submitted by John [illegible]augh in defence of the cancellation proceedings instituted against his homestead entry for the quarter-section above mentioned, I am directed to ask you to be good enough to detail a Homestead Inspector to report on the first convenient opportunity with further reference to the duties performed. It appears that Mr. Haugh has partly lost the use of both hands as a result of amputation of a portion of his fingers, following frost bite, which, it is understood, handicaps him considerably in undertaking work. Moreover, the land appears to be covered with timber and scrub, which renders it difficult for him to do breaking.

Under the circumstances, if the Inspector is satisfied that Mr. Haugh is entitled to patent he might be authorized to take his application and submit it with his report. Your file No. 147769.

Memorandum:

Mr. Hume.

Referring to your memorandum of the 14th instant, I beg to enclose a list of the undisposed of cancelled stock watering reserves of record in this Branch. I may say that it is quite probable that some of the lands on this list have been disposed of, as disposition was frequently made of cancelled stock watering reserves without advising this Branch. It is also probable that Mr. Roberts has files pertaining to these lands which are not shown on the list I am sending you. As you state is has been decided that all cancelled stock watering reserves, which are not required in connection with the better water supply scheme, shall be reserved for Soldier Settlement, the handling of these cancelled stock watering reserves, will in future, be a matter between your Branch and the Irrigation Branch; and I am sending a copy of this memorandum to Mr. Drake and of the list referred to, for his information.

As regards lands which are still used for stock watering purposes, I may say that it has been decided that any cancellations which are made in future shall be on the joint reports of an officer of the Irrigation Branch and of the Dance Inspector. Whenever a reserve has been cancelled, you will be advised.

File #307.
File #298 R.S.

Lima River, August 1, 1911.

Report on stock watering reserve.

Date of inspection: July 30, 1911.

Location: Map-1-y-19-4.

Source of supply. From -[illegible] creek
[illegible]-mile [illegible].
[illegible] in [illegible]-spring [illegible] creek.

Area [illegible] of reserve. [illegible] the road allowance on the north side [illegible] from the trail across reserve shown in sketch. The reserve is fenced on three sides but is open on the east side.

Accessibility of water. The creek is permanently reached by the trail shown in sketch.

There was no water in creek at date of inspection.

Quality of land. A clay loam with gravel and stones throughout. Good grazing land but owing to the stones rather difficult for farming.

Surrounding country.
Type-hilly and rough- a stock country.
Fenced or otherwise-fenced largely.
Farmed or otherwise- some farming attempted.

General remarks. The reserve is situated in the foothills of the east slope. The country appears to be too hilly and rough for successful farming, but is good grazing land. In an average year, the country is well watered by springs though rather dry this season.

Recommendation: That this parcel remain cancelled as a stock watering reserve.

Your obedient servant,

(SGD.) A.W.P.Lowrie.

Edmonton, Alta., Aug.12, 1925.

Sir:

I have the honor to recommend that the title to a parcel of land, situated on the South east corner of the North East quarter of Section 10 in Township 7, Range 28, west of the fourth meridian comprising three acres, be issued to the Board of the Elsen School District No..... of the Province of Alberta, the said land to be held as a site for school purposes properly connected therewith.

Dear Sir.

Re N.E. 1/4 10-9-28-W. 4th Mer.

Referring to Department of the Interior letter of 14th May 1927. File. 402223 in which they say I must be in residence on my homestead by the 1st of July 1927.

I am pleased to advise you that I am now the sole owner of my homestead duties by purchase in fulfilment of crop re-sown on the above mentioned land and as the same I wish to state that I have duties on the land by residence at home with my father whose residence is the S.E. 1/4 of 2 T 9 R 28 W of the 4th Mer. and running up on the same brand stock as I have found that the land is quite rocky and not up with a view that it is more adapted for stock than for farming.

And that I do solemnly declare ~~to the truth of the~~ the above statement knowing that it is the same as if made under oath and by virtue of the Canadian Evidence Act.

Declared before me at Macleod

Amount:-
Purpose:- $202.17.
For stock, equipment and improvements.

On 3rd instant the Board reported that this settler was granted permission to be off of land to absent himself from the land in order to work out for the winter months, with the understanding that he was to resume occupation of the property the next spring. He failed to return, however, and advised the Board by letter that he had no intention of doing so. Under the circumstances the Board submitted advancement proceedings and the settler's agreement was rescinded in accordance with a thirty day notice addressed to him on the 31st July, 1923.

Within the meaning of section 47 of the Soldier Settlement Act the settler being in default with respect to the agreement made with the Board, it is requested that the right, title and interest of the settler in the above land be forfeited, and that same be vested in the Board. A Vesting Order for the Minister's signature is attached.

It is suggested that the necessary action be taken to have entry for this land issued in the name of the Board.

EDMONTON - November 16th, 1944.

L. H. Egan, Esq.,
District Collector,

Edmonton, Alberta.

Dear Sir:-

Re C. A. Taylor, &c. Plans.
S. E. 12, 51, 12, W4.

In order to meet an application for [illegible] to advise you that I have [illegible] the registration of [illegible] office. [illegible]

I find it necessary to [illegible] the Crown, over [illegible] road, purporting on behalf of the Province to give any title, or interest in the roadway to the Dominion Government. This office therefore cancelled the plan in so far as our records are concerned as though the same did not exist.

The Department of Public Works have now forwarded us a plan signed on the 15th day of April, 1944, to take the place of the abandoned roadway as the area shown thereon is 4.23 acres, more or less. There is no doubt in my mind but that the two roadways will to a large extent overlap on each other.

I fail to see how this office can deal with the land grant in view of the fact that the Provincial Government have cancelled the plan of the road which is set out by an exception in the grant. I would therefore suggest that you take this matter up with the Department of the Interior and I would recommend that the present grant be cancelled and a new grant issued to the same several, the full quarter section upon receipt of which we will cancel the area required, as shown on the present road survey plan, or else that the Dominion Government issue a supplementary patent to the Board covering the 4.23 acres which is set out as an exception in the present grant.

I am holding up the grant pending further advice from you.

Yours truly,

(Sgd) A. G. Stewart.

DEPARTMENT OF THE INTERIOR

MEMORANDUM:

Mr. Hume.

N.W.¼ 15-82-22, W.5th M. - Hstd.
Entry granted - 5th July, 1918.
S.W.¼ 15-82-22, W.5th M. - S.C.
Entry granted - 19th April, 1918.
Entries - A.C. Ferguson.

Application to have patent for this land vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921, (P.C.1821).

This entrant has obtained advances from the Soldier Settlement Board amounting to $2900.00, as follows: stock and equipment $1340.90; permanent improvements $1474.10, special advances $85.00. The Board holds no other land security.

The entrant has applied for patent claiming duties as shown on Forms 58A hereunder. Apparently the duties have been performed in a satisfactory manner and the applications have been accepted, but in view of the above mentioned loan he was advised that patent could not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 21st instant, the Soldier Settlement Board reports the receipt of an application from the entrant to have patent for this land issued in favour of the Board and it is pointed out in the memorandum that this would enable the entrant to negotiate a sale of the land. A Vesting Order for the Minister's signature is attached.

It is stated in the Vesting Order that the settler is residing on the land.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

N.½-20-[illegible]-W.4th Mer. [illegible].
Entry granted - 6th July, 1914.
John Nathan Hopper, [illegible].

Application to have patent for this land vested in the Soldier Settlement Board under Section [illegible] of the Soldier Settlement Act, 1919, Chapter 71, 9-10, [illegible] Geo. V. Calvert Case.

This entrant has obtained advances on the security of the above land from the Soldier Settlement Board.

Amount of Loan .... $ [illegible]

Purpose -- Stock and equipment..... $1340.00
Permanent improvements..... $ 400.00
Advances under 1917 Act..... $ [illegible]

Amount outstanding..... $[illegible]
Sale price, including [illegible] $3400.00
Less loss [illegible] ..... $[illegible]

The Board holds [illegible] for loan security.

The Board reports that this settler left in October 1922, and the administrators stated that they had no intention of protecting the encumbrances, and the Soldier Settlement Board was at liberty to take whatever action they deemed fit to vest title in the name of the Board. The administrators declined, however, to give a quit claim [illegible] the estate was released from any liability in connection with the dealings of the deceased with the Board. This release could not be given under the Soldier Settlement Act and accordingly the settler's agreement was rescinded pursuant to a Thirty Day Notice served on the 9th April 1923, to which no defence was filed.

A British immigrant, George Baxter, is now in residence on the property. The selling price of the half section to Mr. Baxter was fixed by the District Advisory Board at $3400.00 which includes all repairs. He has signed the necessary agreements.

It will be noted that after disposing of this land there will be a surplus over and above the settler's indebtedness. In a memorandum hereunder dated the 13th instant, the Board states that it is the intention to refund such surplus to the estate of the deceased entrant.

In.....

In a later memorandum dated the 5th instant it is stated that the Board has an effective charge on this land under the recent amendment to the Soldier Settlement Act as all the advances were made after Hopper's entry for his homestead and all of the said advances with the exception of $600.00 were made after his soldier grant entry.

The land in question being "Dominion Land" within the meaning of section 2 of the Soldier Settlement Act, and the settler being in default with respect to the agreement made with the Board, it is provided that the right, title and interest of the settler in the above land be forfeited and that a certificate in the form prescribed under the Minister's signature to issue.

It is necessary that the necessary action be taken to have patent issued to the Board.

Sir,

Re [illegible], 6-12-21, 4.

I beg to acknowledge the receipt of your communication of the 2nd instant, and in reply to say that the above quarter had to reserved for stock watering purposes, and is therefore not available for settlement at the present time.

I might add, however, that in view of your application, the matter will be taken up as to the advisability of having this land examined to ascertain whether it is required for the above purposes.

In the event of the reservation covering this land being cancelled, the quarter section would automatically become reserved for soldier settlement, it having been decided that all cancelled stock watering reserves which were not required for water supply purposes will be disposed of under the Soldier Settlement Act.

The $10.00 which you forwarded as an entry fee will be returned to you under separate cover.

Sir,

S. 4 6 - 15 - 21 - 8. 4th M.

In reply to your communication of June to instant, we are sorry to learn that the land described is still reserved for stock watering purposes and not available for settlement at the present time.

In the event of the cancellation being carried the quarter-section would in all probability automatically become reserved for Soldier Settlement, it having been decided that all cancelled stock watering reserves, which are not required for water supply purposes, will be disposed of under the Soldier Settlement Act.

You are further informed that the right of pre-emption and purchased homestead entry has been withdrawn since the 20th of March last, and that the Department is not disposing of any Dominion Lands by sale except in the case of fractional quarter-sections of sixty acres or less to holders of land adjoining.

Your obedient servant,

[illegible].

I am enclosing copy of memorandum from the Commissioner of Irrigation, in connection with Mr. A.V.P.Lowrie covering a stock-watering reserve on the SW¼ of section 6, township 17, range 21, west of the 4th meridian.

I concur in the Commissioner's recommendation, based on this report, that the reservation of this quarter section be maintained in connection with the better water supply scheme in Alberta.

Macleod, June 21, 1919.

Report on Stock-Watering Reserve.

Date of inspection:	June 19, 1919.
Location:	SE¼-6-15-21-4.
Water supply:	From Little Bow river. Kind-annual stream. Other in vicinity- no surface water.
Accessibility of reserve:	Accessible as shown on sketch from the road diversion across the Little Bow river valley. A trail runs across the reserve from this diversion, fording the river as shown in sketch.
Accessibility of water:	Easily accessible, especially at ford.
Quality of land:-	The quarter section is very hilly, especially on the east side of the north half. There is some level land along the river. The bottom land is a sandy loam. The level land is much heavier soil.
Surrounding country:	Away from the river banks the country is level prairie.
General:	This district is a dry one. The river is accessible from the road diversion as shown in sketch. The quarter section itself is rather badly broken up by hills and coulees, except the bottom land. I do not believe it is very valuable as farm land.
Recommendation:	That the land be maintained as a stock-watering reserve.

Your obedient servant,

(SGD.)A.M.P.Lowrie.

Copy for A.D.L. Calgary,
Ref. 574-6-94763-1.

Ottawa. 29th September, 1919.

Sir, Sel 61-11-4 W. 4th M.

With reference to your lease for grazing purposes of part in Land in Township 21, Range 4, west of the 4th meridian, I am directed to bring to your attention the fact that on the 22nd July, 1919, the Agent of Dominion Lands at Calgary granted Mr. John Lee of High River, Alberta, a returned soldier, homestead entry for the S.W.¼ of section 14 and either grant entry for the ....¼ of Section 14 in this township, which will be comprised within your leasehold.

The matter was not brought to the attention of head office until last May, when a homestead inspector was instructed to furnish an immediate report with reference to Mr. Lee's residence and improvements.

According to the evidence submitted, Mr. Lee made the following improvements :-

House 30 X 48	value	$3000.00
Stable 30 X 50	"	200.00
Granary	"	200.00
Fencing- 4 miles	"	500.00

Cultivation,

1919- broke 17 acres- value $[illegible]

In addition to the foregoing, Mr. Lee was the owner of 17 horses and 62 head of cattle. The inspector furnished the following additional information,-

> "These improvements are all very substantial & well built & I am informed by Mr. Lee Snr. that he has purchased about 4 sections of land around this ½ section, making this the headquarters for the ranche, & he also intends to break 45 acres on the land - part of which he has already cleared of brush."

Furthermore, to aid Mr. Lee in the prosecution of his undertaking, the Soldier Settlement Board has granted him a loan under the provisions of the Soldier Settlement Act, which is secured by virtue of his entries for this half section.

The Department is unaware at present of your future plans in regard to operating your leasehold, but you will readily see that in view of the extensive improvements made by Mr. Lee on the land in question, it is

Albert Stagg, Esq.,
613- 12th Ave., East,
Calgary,
Alberta.

is desirable that some action should be taken immediately, in order that his entries may be confimed.

Before this can be done, however, it will be necessary for you to give your consent to the withdrawal of the land from the leasehold and I would ask you to be good enough to give the matter your prompt attention and advise the Department whetner you are willing to do so under the circumstances.

The Agent of Dominion Lands at Calgary has been instructed to reserve any available land in the vicinity of your leasehold in order that you may select a half section in lieu of the land which it is propsed you should relinquish in favour of Mr. Lee. If you will either see or communicate with the aforesaid Agent, he will furnish you with a list of the quarter sections reserved, in order that you may look the land over and make your selection. When you have done so, the Inspector of Ranches will be instructed to report as to the character of the land and should the same prove favourable, the land will be included in your lease in exchange for the half section in question.

Owing to the fact that the Department only recently became aware of the fact that you had received your discharge from the Canadian Expeditionary Force, it was not possible to bring the matter to your attention sooner.

Your obedient servant,

Assistant Secretary.

Memorandum:

Ottawa, 8th March, 1918.

The Surveyor General.

re part Sections 7, 8 and 18 of
Township 56, Range 13, 4th W.

Referring to your memorandum of the 1st inst. addressed to the Deputy Commissioner of Dominion Lands, I would refer you to the last paragraph of my memorandum of the 14th February last with regard to delimiting the riparian claims of the estate of the late Walter T. Watson.

Under the circumstances, we return the [illegible] with would ask you to be good enough to show [illegible] the area which, if any, fall to the estate, [illegible] the boundary shall be drawn half of Section 18.

[illegible] to the 17 acres patented to the late Mr. Watson as a homestead [illegible] this also, the estate has been permitted to [illegible] of the entire, but as you will note, this does not apparently meet the case and if the estate is not to be allowed to purchase all the reclaimed area to which, personally, I think they are entitled as a matter of policy, it will be necessary to define the limits which must be granted to them as riparian owners of the [illegible] portion of the quarter-section, the area of which should be stated, as also the areas of the balance, in order that the Department may decide as to the merits of granting the application of Mr. Tennant for the balance.

In submitting your further report in this connection would you please re-attach to the file Mr. Corry's [illegible] sketch, which appears to have been removed inadvertently.

Sir,

South half 10-3-1- 4th ...

I am transmitting to you herewith [illegible] file No. 307440, relating to the half-section above mentioned, for personal investigation and report of the matters dealt with in the memorandum of the 2nd instant.

It may be stated in connection with representations made on behalf of [illegible] that should you not see fit to recommend a sale of the entirement it appears that the half-section entirely to the north of the line [illegible] same portion would be held for grazing at the settler's present holding. Bearing on this matter I would refer you to the sketch which has been prepared by the Surveyor-General delimiting the various areas which appear to illustrate to that extent. You may see fit, however, then at the present, to eliminate the various legs thereon, the proposed northern boundary as shown on the sketch. It would appear in any case that the south half of legal subdivision 1 should pass to the ownership of Valentine in addition to the lands coloured brown and pink.

Furthermore, if the settler is not entitled in your judgment to the right to purchase the whole of the balance of the half-section, it will of course be necessary to sort such portions thereof as may be decided to be available, there being no provision whereby Mr. Tennant could be granted prior right of entry.

Your report in this connection is desired at the earliest possible date.
